WEST SHORE YMCA

This information is only for returning swimmers to the program.

All returning swimmers must have their \$200 (per family) registration fee plus returning swimmer fees form, and credit card authorization, returned by Friday, August 14th. No swimmer will be permitted to begin practicing until these forms are returned.

We will assign practice levels by Monday, August 17, 2020. The only fees that need to be paid by Friday, August 14th are the \$200 registration fee. Practice groups will be limited in size due to current Department of Health guidelines.

Please fill out the attached returning swimmer fees form, and credit card authorization, and return this form with your \$200 registration fee to the YMCA member desk (or email to mike@wsyswim.org) by Friday, August 14th. After August 14th, the registration fee moves to \$250. Your registration fee includes two (2) Team T-shirts, Team cinch bag, water bottle as well as unlimited swim caps. (*There is an extra charge for the silicone caps.)

PROGRAM POLICIES AND INFORMATION

YMCA Membership Required – A Youth, Teen or Family membership to the YMCA is required to participate with the WSY Competitive Swimming programs.

Program Payment – Program fees may be paid in full or by monthly draft. We do not invoice or allow you to pay monthly by check. The monthly draft is processed on the 15th of each month and a credit card is required.

Payment Problems – A \$30 service charge will be assessed for any declined payment. The YMCA will attempt to collect returned drafts on the YMCA's next draft date. The YMCA will attempt to collect payment on each draft date until payment is successfully received. If you have two declined drafts within a six-month period, you will no longer have the draft privilege and will be required to pay the balance in full, in advance.

If there is a change to your credit card information (i.e. exp. date, new card #) it is your responsibility to notify the YMCA Member Service Desk of any changes to your credit card account that would affect the successful processing of their draft charge.

Cancellation/Withdraw from Program – Two-week notice is required. Non attendance, without written cancellation, does not relieve you of the responsibility to pay for the program. **Bank and Credit Draft Participants** – You must have your written cancellation submitted by the 1st of the month in order to stop payment on the 15th. **Program fees are not refundable after January 1.**

Refunds – Non-attendance does not entitle you to a refund. Refunds or adjustments are not granted for illness, vacation or when YMCA programs are cancelled due to inclement weather. All refunds or program credits given for other reasons are issued on a prorated basis. The YMCA reserves the right to apply any credit due to other outstanding balances. Refunds are issued within 30 days of cancellation. Registration fees are nonrefundable. **Program fees are not refundable after January 1.**

Sibling Discounts – Multiple swimmer families will pay the full program cost for the 1st swimmer and receive a 5% discount on the TOTAL of the monthly training fees of the additional swimmers in their family. The first swimmer is the swimmer paying the highest program cost.

USA Swimming Registration fees and registration deposits are nonrefundable. Swimmers in AGC, Pre-S and Senior will be billed a yearly USA Swimming Registration fee \$82.

Escrow Accounts – All team members must have an escrow account. A minimum deposit of \$50 is due at the time you register. Further escrow account payments should be made at the Member Service Desk. Deductions from your escrow account include swim meet entry fees and swim shop purchases.

Meet Entry Fees – Meet entry fees are set by the host team and are charged to the swimmer's WSY escrow account for each meet they enter. Meet entries are to be prepaid by the participant. Once entry fees have been sent to the host team or the meet program has been seeded for WSY events, you will be responsible for the entry fees even if you decide not to compete due to personal choice or illness, no exceptions. Lack of knowledge of the meet entry process does not waive meet entry fees. Swimmers who compete in a relay will be charged the entry fee for participation in that event.
