All Fees are listed as Paid in Full. Most practice groups begin the middle of April and run through the end of August. The AG-B Practice group begins Tuesday, June 1, 2010 after our Stroke Clinic concludes. No family will be permitted to register if you have an outstanding escrow account balance from Fall/Winter 2009-2010

Family Administrative Fee. Each family within the team will be required to pay a Team Administrative Fee. We use the Team Administrative Fee for social functions, printing and publications, end of year banquet, ribbons for meets, coaches travel, equipment purchases, and other monthly costs. There is a Winter Team Administrative Fee and a Summer Team Administrative Fee. The Summer Team Administrative Fee is waived to all swimmers that participate with our team "year-round". If you only swim over the Summer months, or join the team in the Summer, your Summer Team Administrative Fee will be 50% of the previous Winter's Team Administrative Fee.

Escrow Accounts - All competitive swimmers in the program must have an escrow account. A minimum deposit of \$50 is due at the time you register, unless you have a positive balance when you register. Further escrow account payments should be placed in the pool box at the YMCA. Deductions from escrow include invitational entry fees, concession stand assessments, and swim shop purchases. College swimmers that will be attending USA Swimming meets must have an escrow account.

DISCOUNTS: Additional family member - 5% reduction fee for second child, 10% discount for 3rd, 4th, etc.

YMCA Membership - All swimmers in the program must possess a current YMCA membership (other than Summer Only swimmers and/or College swimmers). Your membership fee must be paid at the membership office prior to your swim team registration fee.

Financial Aid is available for all who qualify. Please see Michael Gobrecht for the Financial Aid information
